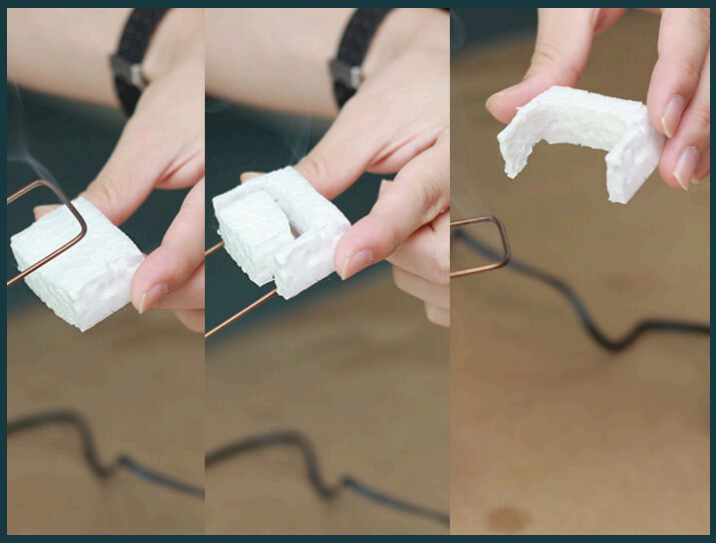
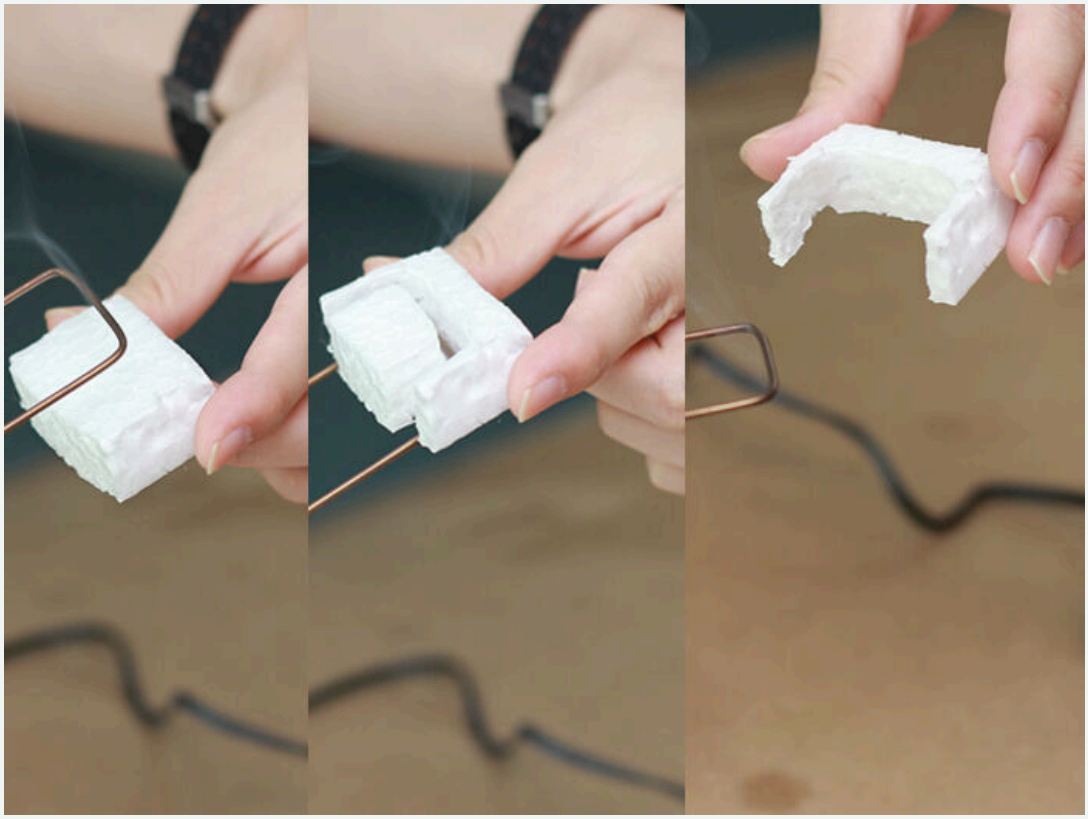
Lightweight 40g foam cutter with rapid 210°C heating and secure wire switch for fast, creative modeling.

SKU	UPDATED	PRICE
110990453	2024-08-09 02:02:38	$25.95(Excl. VAT)



Overview



This foam cutter is very suitable for fast modeling, weighing only 40g and heating to 210°C in 10 seconds. You can make any shape with the wire switch for added security and convenience.

Key Features

This foam cutter is very suitable for fast modeling. You can use it to make something like ironman. Of course, first you need a big enough foam.

Features:

-
- Very light, only 40g.
-
- You can make any shape you want
-
- Can be heated to 210C for 10 seconds.
-
- With wire switch, more secure, more convenient
