INDUSTRIAL PRODUCT DATASHEET

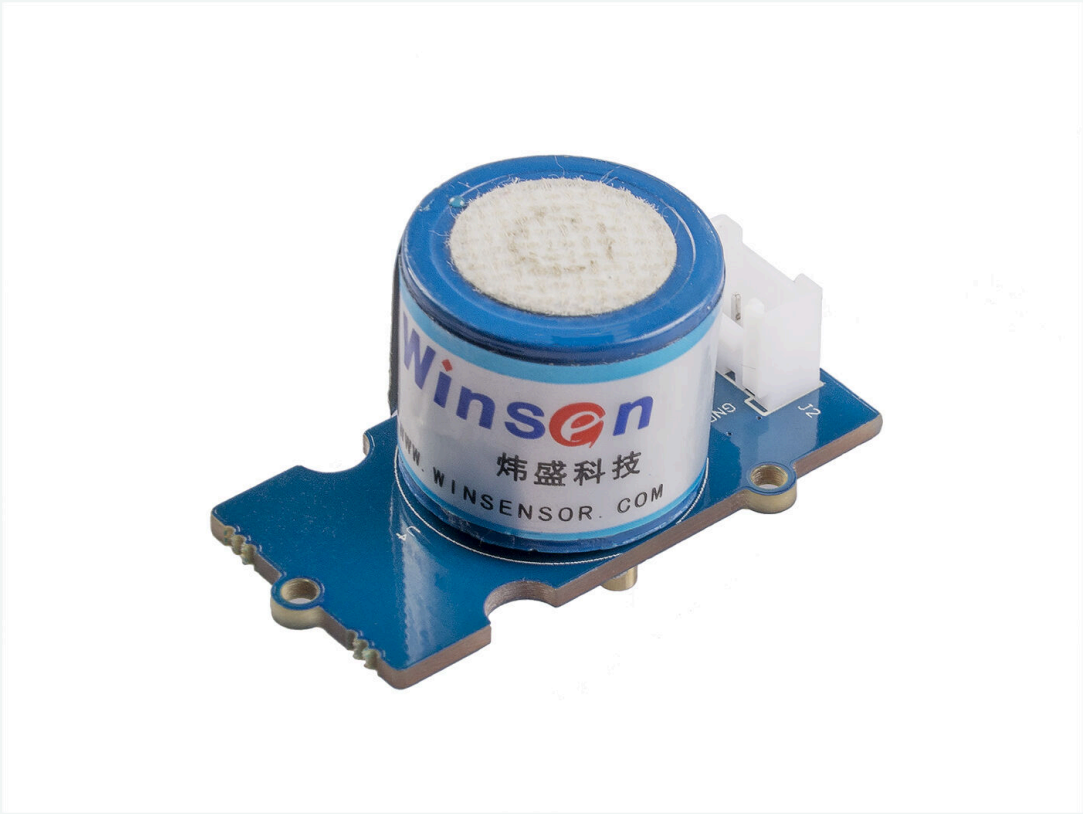

Grove - Oxygen Sensor(ME2-O2-Φ20)

This Grove O2 sensor can be used to make a simple oxygen level detector and analyzer.

SKU	UPDATED	PRICE
101020002	2026-11-11 07:46:39	$60.40(Excl. VAT)

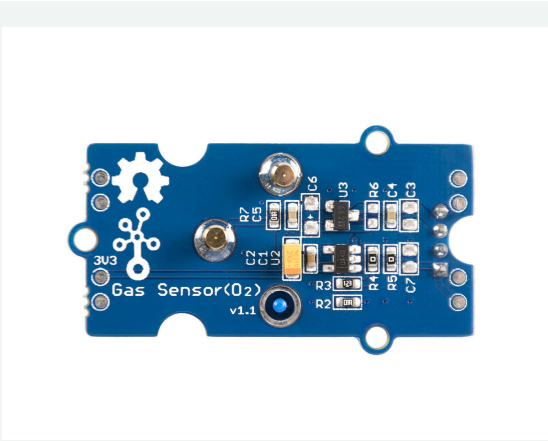

Overview

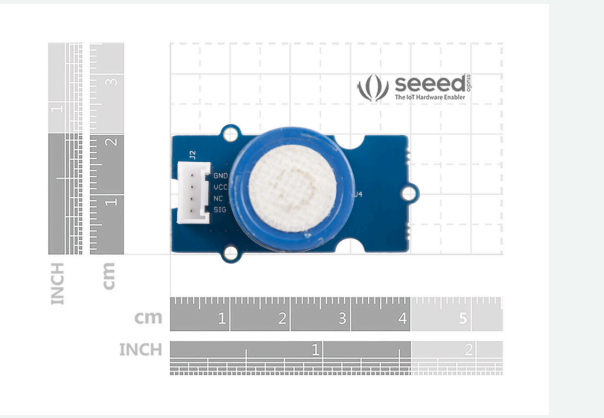

This Grove O2 sensor can be used to make a simple oxygen level detector and analyzer. It can measure O2 concentration within a range of 0 to 25% Vol and the max detecting concentration is 30% Vol. This sensor will be EOL soon. Please choose the newly upgraded O2 sensor.

Product Gallery

Applications

- **Oxygen Analyzer**
- **Air Purifier**
- **Environmental Monitoring**
