Overview

The 7 Segment Display - 3 Inches - Green is a set of seven-segment digital building blocks, including 3 horizontal and 4 vertical segments, enabling the creation of numbers, letters, or custom patterns. It features easy assembly, RoHS compliance, ESD 2000 V protection, and supports free-style display designs.

Key Features

Find segments in digital displays an interesting material to create art work with? Then look no further than our seven-segment digital building blocks. They allow you to design words, numbers, or unique patterns. One unit of this product includes 3 horizontal segments and 4 vertical segments, enough to build the number “8” or whatever else you think of. Order more if you want to make a larger pattern.
