Overview

The 7 Segment Display - 5 Inches - Green consists of seven-segment digital building blocks that allow you to design words, numbers, or unique patterns. Each unit includes 3 horizontal and 4 vertical green segments, is easy to assemble, and is RoHS compliant with ESD 2000 V protection.

Key Features

Find segments in digital displays an interesting material to create art work with? Then look no further than our seven-segment digital building blocks. They allow you to design words, numbers, or unique patterns. One unit of this product includes 3 horizontal segments and 4 vertical segments, enough to build the number “8” or whatever else you think of. Order more if you want to make a larger pattern.
