INDUSTRIAL PRODUCT DATASHEET

Batteries for Electric Tracker

The Batteries for Electric Tracker are high-performance lithium-ion batteries designed to power your electric tracking devices efficiently.

SKU	UPDATED	PRICE
109990042	2026-11-11 07:53:58	$29.95(Excl. VAT)

Overview

The Batteries for Electric Tracker are high-performance lithium-ion batteries designed to power your electric tracking devices efficiently. With a compact design and reliable energy output, these batteries ensure long-lasting performance for your tracking applications.

Key Features

01 **High Capacity**

700mAh capacity provides extended usage time.

02 **Optimal Voltage**

3.7V output ensures stable power delivery.

03 **Compact Design**

Lightweight and space-saving, ideal for portable devices.

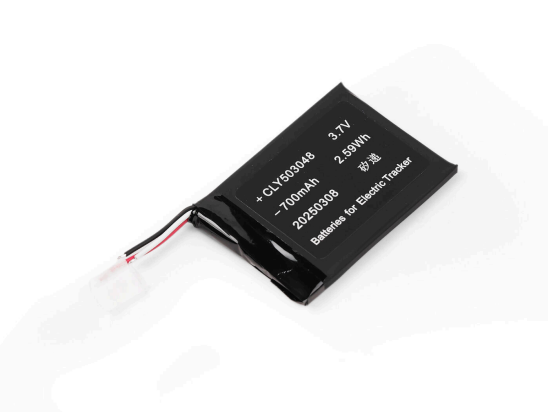

04 **Reliable Performance**

Built for durability and consistent energy supply.

05 **Safety Compliance**

Meets industry standards for safe operation.
