INDUSTRIAL PRODUCT DATASHEET

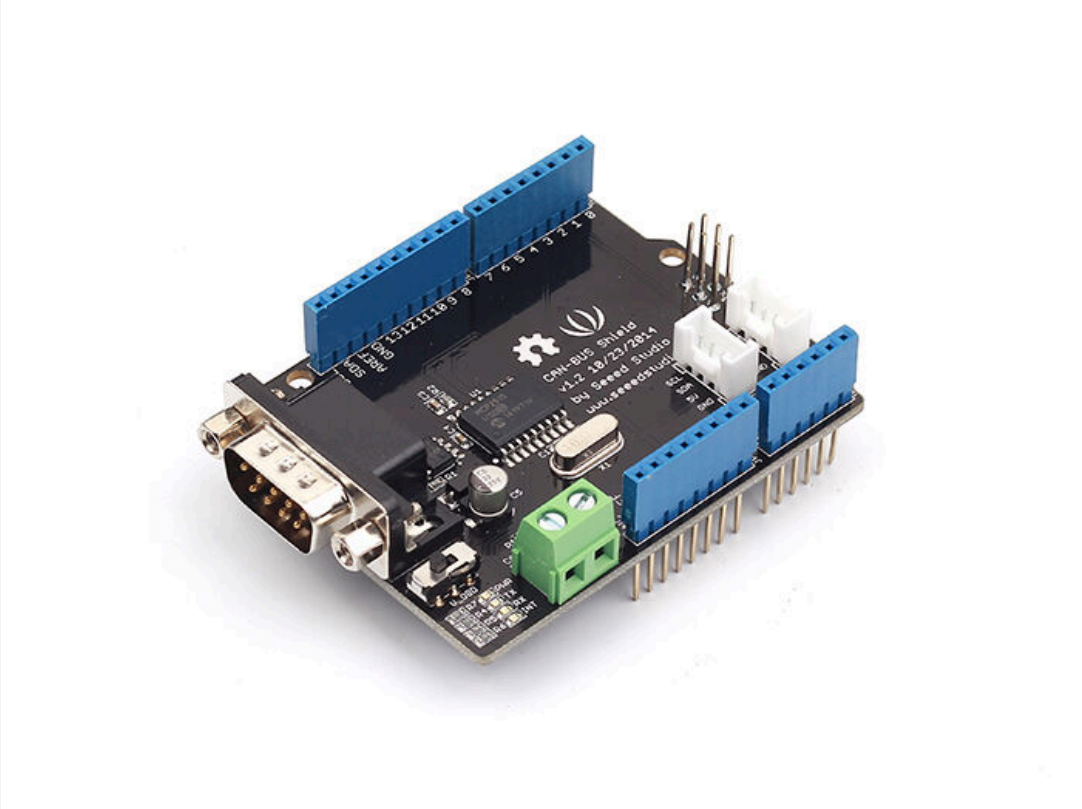

CAN-BUS Shield V1.2

Changeable chip select pin Screw terminal that easily to connect CAN_H and CAN_L Arduino Uno pin headers 2 Grove connectors (I2C and UART)

SKU	UPDATED	PRICE
113030021	2026-11-11 07:30:24	$23.50(Excl. VAT)

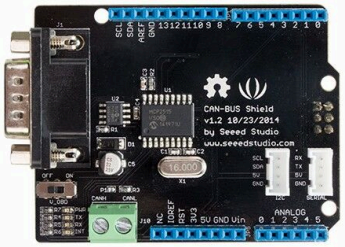

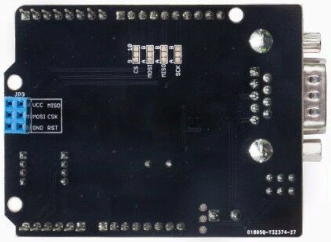

Overview

Changeable chip select pin Screw terminal that easily to connect CAN_H and CAN_L Arduino Uno pin headers 2 Grove connectors (I2C and UART)
