Overview

The Sonoff BasicR2-WiFi Smart Switch enables simple operation through the eWeLink app to control smart furniture with remote APP control, LAN control, timing schedule, share control, and hand-free voice control compatible with Amazon Alexa, Google Assistant, SmartThings, and Alice. It can connect other smart devices for auto-on/-off actions and is CE, FCC, and RoHS-certified, suitable for Home Assistant, Home Automation, Smart Home, Office, Hotel, and Hospital applications.

Key Features

- **Simple operation:** Use the eWeLink app to control all smart furniture with BasicR2 installed.
- **Make your life simpler:** connect other smart devices to make actions auto-on/-off and make your life becomes simpler.
- **Multi-function fusion:** Sonoff BasicR2 has most of the basic functions for you to apply your smart furniture, like remote APP control, LAN control, timing schedule, share control, etc.
- **Hand-free voice control:** Compatible with Amazon Alexa, Google Assistant, SmartThings, and Alice. Just speak out your command, the smart device can control on/off as you say.
- **Safe and secure:** CE, FCC, and RoHS-certified products will be safer and more reliable.
