3mm acrylic enclosure for Cubieboard A20 with full connector access, light pipes, and wall-mount slots.

SKU	UPDATED	PRICE
114990136	2024-08-09 01:56:54	$4.50(Excl. VAT)

Overview

The Cubieboard A20 Acrylic Enclosure is a 3mm acrylic case designed to protect and provide access to all board connectors. It includes light pipes for LED visibility, vents for heat dispersion, and plus-shaped wall mounting slots.

Key Features

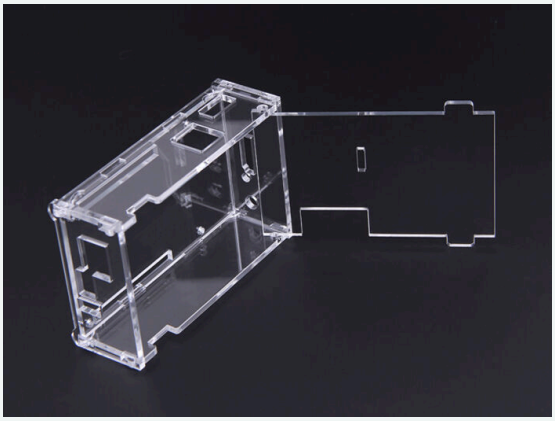

Description
The enclosure provides slots to access the peripheral header, USB ports, Ethernet, SD card, HMDI, composite video, audio, CSI and JTAG connectors as well as feet and vents to ensure the board gets proper cooling and plus-shaped wall mounting slots. All of the status LEDs on the board are visible through the case thanks to light pipes embedded in the design. This is a really slick case and once you've gotten your hands on a cubieboard , you'll want to snag one of these to put it in!

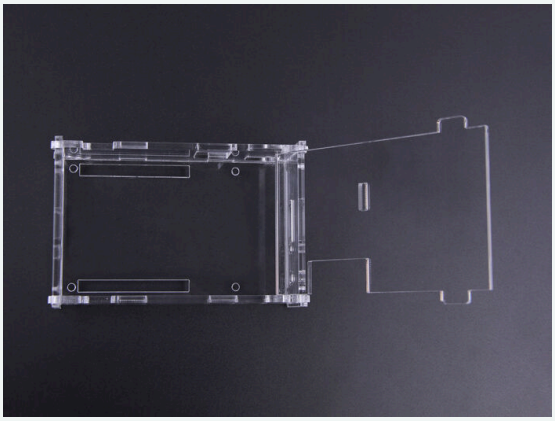

Features:
3mm acrylic
