INDUSTRIAL PRODUCT DATASHEET

Raspberry Pi High-Precision AD/DA Board

There's no AD/DA function on the Raspberry Pi GPIO interface, this may trouble you in the Pi projects to read the analog current and voltage.

SKU	UPDATED	PRICE
114990831	2026-11-11 07:56:12	$49.90(Excl. VAT)

Overview

There's no AD/DA function on the Raspberry Pi GPIO interface, this may trouble you in the Pi projects to read the analog current and voltage. However, the High-Precision AD/DA Board allows you to add high-precision AD/DA functions to the Raspberry Pi.
