Overview

Keepa is a social distance trainer / Social distancing wristband specially designed for children. With a built-in ultrasonic sensor, Keepa can detect people within 2m (about 6 feet), and gives the user a nudge, reminding him/her to keep a safe social distance. There are 3 alert modes for kids to choose and they can decide how to wear Keepa as they like. Keepa helps children build awareness of keeping a safe social distance - in a more enjoyable way!

Key Features

01 **Ultrasonic distance detection, detect people within 2m (about 6 feet) and issue different alerts**

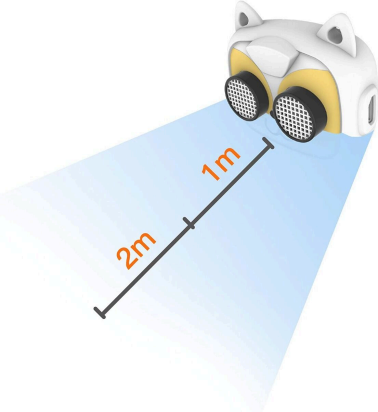

02 **Multiple alert modes with built-in RGB LEDs, buzzer, and vibration motor**

03 **Multiple ways to wear Keepa with a wrist strap and lanyard**

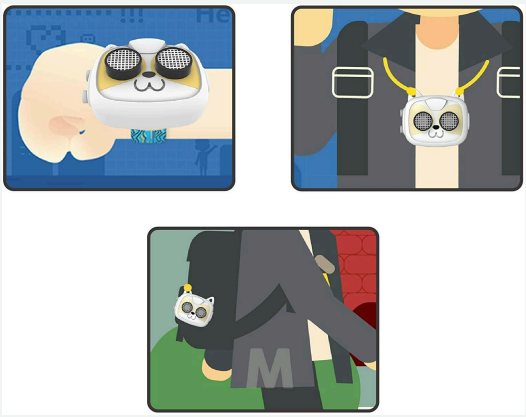

04 **Rechargeable Li-ion battery, enables standby operation of up to 10 hours**

05 **Safe & thoughtful design with a protective silicon casing & chamfered edges**
