INDUSTRIAL PRODUCT DATASHEET

RF Cable; N Female to RP-SMA Male-CFD400-Black-5m; For SenseCAP M1 Indoor Gateway and Fiberglass Antenna

It is able to connect to an antenna for better coverage and connect to SenseCAP M1 Indoor Gateway and SenseCAP ONE Outdoor Gateway for better data transmission.

SKU	UPDATED	PRICE
321990877	2026-11-11 06:43:19	$28.90(Excl. VAT)

Overview

It is able to connect to an antenna for better coverage and connect to SenseCAP M1 Indoor Gateway and SenseCAP ONE Outdoor Gateway for better data transmission.

Key Features

01 **Perfect connector match with RF Explorer high-performance antennas and SenseCAP M1 Indoor Gateway**

02 **Low insertion loss**

Typical 0.45db @ 900MHz

03 **Low VSWR**

Typical 1.1 @ 900MHz

04 **Robust construction for outdoor usage**

Tinned copper wire for braid material, significantly reduces the interruption.
