CHANGE DESCRIPTION

Change FROM:

Part Number	**Name**	Image
114993536	Smart Citizen Kit 2.3	

Change TO:

Part Number	**Name**	Image
114993536	Smart Citizen Kit 2.3	

REASONS FOR CHANGE

Due to the shortage of the UV sensor component, Seeed Studio will remove the AS7331 UV Radiatio sensor from Smart Citizen Kit 2.3 units sold from July 2026 onwards. The UV sensor footprint will remain on the PCB, but the component will not be populated. As a result, the AS7331 UV Radiation measurement function will not be available on the affected units.

This change is made to ensure continued product availability and stable supply of Smart Citizen Kit 2.3. Other major onboard environmental sensing functions remain unchanged.
